Your dog must be registered with TDAA to participate in TDAA Trials. There is a registration form included in this premium, or you can register on the first day of the trial. I have a special request:

---

---

**Please check off any jobs you are interested in performing:**

- REGISTRATION:** Provide an envelope to entrants as they check-in (you would need to be at the trial site prior to 9:00am to perform this job).
- BUILDING COURSES:** You will be setting the course via a map provided.
- STEWARDED THE GATE:** Very important to the speed of the trial. You are responsible for getting the dogs ready to go into the ring by announcing the names of the dogs that are coming up in the running order. You will also yell, "Going up to x-inches!" before the first dog at the new height enters the ring.
- RUNNING LEASHES:** You will retrieve the currently-running-dog's collar and leash soon after he leaves the start line and take it to the exit area. Easy!
- SETTING BARS:** You will sit in the ring during a class and re-set any bars that are knocked over. You will also change the jump heights on equipment as they are announced by the gate steward.
- TIMING:** Important job! Either start and stop the clock as a dog crosses the start/finish line or blow a whistle when a certain amount of time has passed.
- ASSISTING THE SCRIBE:** You will load a clipboard with the next dog's scribe sheet, and hand it over to the scribe. You'll also pass the sheets to the sheet runner.
- SCRIBING:** Watch the judge and record points/faults. We have highlighted the areas where you will make your marks; you will NOT add up points, or convert times, or write anything outside of the highlighted area. That is the job of the scoring table. Remember, your job is to watch the judge, not the dog. Your job is extremely important to the competitors, for obvious reasons!
- SCORING TABLE:** If you like math, this job is for you! You will have a printout with specific scoring instructions for the class. Experienced? Let us know!
- RUNNING SHEETS:** This is a VERY important job! You determine how fast we can post our results! It is critical that you bring the scribe sheets immediately to the scoring table each time a dog finishes a run. We like to post results FAST!
- AWARDS TABLE:** You will assist entrants who are retrieving their placement rosettes and Q ribbons by locating the competitor's award stickers for them.

I (we) certify that the dog entered is not dangerous to any person or other dog. By signing below, I (we) agree to the disclaimer on this entry form.

**Name:** \_\_\_\_\_ **Date:** \_\_\_/\_\_\_/\_\_\_

**TDAA NUMBER:** If this is your first time entering a TDAA trial and you have not received a TDAA number, please write "pending" on the entry form in place of the TDAA number and include your TDAA registration form with this entry.

**HEIGHT CARD:** A copy of your dog's TDAA height card must accompany your trial entry or be presented at check-in. If you do not have or present a TDAA height card, your dog must be measured prior to running.

**TRIAL GAMES DESCRIPTION:** The Judge's briefing on the day of the trial takes precedence over the information provided here.

**Cherry Picking (Game of the Month):** Picking Cherries is a simple dog's choice game. The dog might be directed to as quickly as possible get all the tunnels on the course... and nothing else. Cherry Picking is scored Time Only. ER5

**Roulette:** Roulette is a dog's choice game in which the handler (or dog) will bet on a color, and then spin the wheel to accumulate points based on that color. The game features a modest distance challenge for bonus points. Roulette is scored Points, Then Time.

**Twister:** Twister is a point accumulation game in which the dog earns points for sequences of obstacles arranged in two concentric loops. The dog is required to change the direction of play between scoring sequences, alternating between the inner and outer loops. Bonus points are awarded for a faultless performance. Twister is scored Points, Then Time. ER2

**DIRECTIONS:** Take Interstate 495 to Route 2A/110 exit. Turn left and travel just over a mile on Route 2A/110 West. Go through a stoplight located at the gas station. As you crest the hill, you will notice a gravel company on your right. Please note that GPS devices cannot find our main door. They can get you to this point on Route 2A/110, however. Watch for the gravel company, and then turn right onto Distribution Center Drive. If you immediately look to your right, you will see the trial site; we are located in a very large concrete warehouse. Travel only about 500 yards down Distribution Center Drive, and make your first right into our parking lot. If you need help finding us, call (978) 387-3663. Signage will be posted as well!

**OBSTACLE FAMILIARIZATION:** Obstacle familiarization will be held Saturday and Sunday mornings 15 minutes prior to the first judge's briefing for dogs and handlers who have never been on TDAA-sized equipment. The trial site also offers ring rentals, which are available daily until the trial date by emailing the Trial Chairperson at training@geminidogs.com.

**WARM-UPS:** A warm-up area, consisting of a regulation agility jump, shall be provided for all exhibitors. Only dogs entered in the trial may use warm-up area. This should be on lead unless dog is under complete control of the handler. TDAA uses scaled-down equipment on a proportionally set course. Some obstacles may be on small-dog scale. See [www.k9tdaa.com](http://www.k9tdaa.com) for details.

**SHOW SITE:** Site is indoors on ¾-inch Great Mats EVO foam matting with a total ring measurement of 100'x50' for the trial. We ask that you potty your dog(s) outside the building in the designated area. Please bring a crate(s) to kennel your dog(s).

**Food:** Refreshments will be available at the trial site for all volunteers, and there are several fast food and dine-in restaurants nearby.

**VETERINARY CLINIC ON CALL:** Westford Emergency Veterinary Center is located at 11 Cornerstone Square, Westford, MA and can be reached by calling (978) 577-6525.

**ACCOMMODATIONS:** Hotels that accommodate pets and are 20 minutes from trial site:

- Hampton Inn & Suites in Westford, MA (978) 392-1555
- Boxboro Regency in Boxboro, MA (978) 263-8701
- Motel 6 in Leominster, MA (978) 537-8162

**HEIGHT DIVISIONS:** TDAA offers the following Jump Heights: 2", 4", 8", 12", 16". Owners/handlers are responsible for entering their dog at the proper height division, both the dog's measured jump height and the height at which they want their dog to jump at the trial. Per TDAA rules, dogs may be entered at any jump height desired; however, the scoring height continues to be the dog's measured jump height. Dogs jumping at a height other than their measured height will earn qualifying legs and all TDAA titles. The judge reserves the right to measure dogs entered in any trial. Any dog that has not previously competed at a TDAA trial must be measured before competing.

**JUMP HEIGHT EXEMPTIONS:** These provisions are only applicable for national competitions such as the Petit Prix, where dogs are required to jump at their measured height, as adjusted for any jump height exemptions to which they are entitled. Jump height exemptions are provided for dogs that are long-backed, have a weight-to-height exemption, or who have dwarfish legs (see [k9tdaa.com](http://k9tdaa.com), TDAA Rules and Regulations, Sec. 3.5.3 for descriptions of jump height exemptions). A jump height exemption (next lower height) will also be granted to veteran dogs (dogs at least 7 years of age) and a second exemption (two jump heights) will be granted to "double digit" veterans (dogs at least 10 years of age). You may subtract one height for veteran status, one for double digit veteran status, and one for body exemption from Measured Jump Height.

**PERMANENT JUMP HEIGHT CARD:** A copy of the dog's jump height card must accompany your trial application or be presented at check-in. Dogs without a permanent TDAA jump height card must be measured prior to running in this trial.

**STANDARD CLASS:** The following classes are available for Standard runs.

- BEGINNER AGILITY ~ All dogs shall be eligible for participation in this class. There shall be no grandfathering of titles from other organizations.
- INTERMEDIATE AGILITY ~ Dogs that have earned the Teacup Beginner Agility Dog (TBAD) shall be eligible for participation in this class.
- SUPERIOR AGILITY ~ Dogs that have earned the Teacup Intermediate Agility Dog (TIAD) or that have earned the Teacup Superior Agility Dog (TSAD) shall be eligible for participation in this class.

**GAMES CLASS:** The following classes are available for games runs.

- GAMES I ~ All dogs shall be eligible for participation in this class. There shall be no grandfathering of titles from other organizations.
- GAMES II ~ Only dogs that have earned the Teacup Games I (TG1) shall be eligible for participation in this class.
- GAMES III ~ Only dogs that have earned the Teacup Games II (TG2) or Teacup Games III (TG3) shall be eligible for participation in this class.

**TDOG/TGDOG:** Please indicate if you wish to enter TDOG/TGDOG. If so, you will run Beginner and Games I courses.

**MOVE UPS:** Move Ups between classes are allowed at any time during the trial. This includes move ups between games levels and standard levels on the same day. If a dog moves up in a class (due to another trial's result), after the registration form has been mailed to the trial secretary, move ups are still allowed if notification is given to the Trial Secretary prior to the start of the trial via a written form provided at the trial or available on our website.

**EXERCISE AREAS:** Please exercise your dog responsibly and pick up after your dog at the show site and hotels. All dogs must be on leash unless they are in the show ring or warm-up area. There is a leash law in the trial site's state.

**OBSTACLES:** The following obstacles shall be used. Obstacle specifications shall meet the current TDAA obstacle requirements for preferred sizes.

- ¾" PVC Bar Jumps
- ¾" PVC Winged Jumps
- 15" diameter Tire
- 36"x36" Table
- 22" Weave Poles
- 16" diameter Pipe Tunnel
- 6' 8" A-frame with slats
- 8' Dogwalk with slats
- 8' Teeter without slats

**PRIZES AND AWARDS:** Placement rosettes or ribbons will be awarded for 1<sup>st</sup> through 4<sup>th</sup> place for Qualifying and non-qualifying scores for all classes. Dogs with an NT (no time) are not eligible for any ribbons. Qualifying ribbons will be awarded to all dogs receiving a qualifying score.

#### **NOTICE TO EXHIBITORS:**

- The safety of dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.
- All dogs must be always on leash (or crated) except when in the ring or when in designated areas.
- Exhibitors are responsible for being present and checked in at the ring gate when it is their turn to run.
- Exhibitors may wear shirts or insignia of their training group if they wish.
- At the handler's option, the dog may wear a flat (buckle or quick release) collar (with or without tags) or wear adornments, clothing, ties, or other attachments. Choke collars, pinch collars, electric, and dummy electric collars are prohibited by both TDAA and the host/venue.
- Unsportsmanlike conduct, including rough handling or misconduct of any kind, will result in an excusal from the ring. Teacup Dogs Agility Association Rules & Regulations can be obtained online at [www.k9tdaa.com](http://www.k9tdaa.com).
- Entries will not be accepted without fees. No entries will be accepted which require a signature for delivery. All entries must be submitted on official TDAA Agility Entry Forms, one dog per entry form.
- Photocopied entries without the accompanying TDAA agreement are NOT acceptable. Unsigned, incomplete, or illegible entries are NOT acceptable and cannot be entered in the trial. Faxed entries and/or credit cards cannot be accepted. Returned checks do not constitute a valid entry fee.

- The Trial Secretary will add a \$25 service charge for any returned checks. Subsequent returned checks from the same exhibitor may result in their being put on a CASH ONLY basis.
- Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the Trial Committee.
- No entry fee will be refunded if the trial cannot be opened or completed by reason of riots, civil disturbance, fire, and act of God, public emergency, and act of public enemy, or any other cause beyond the control of the organizing committee.
- Bitches in season are not permitted at the trial. The club will refund all but \$5 of the total entry fee for bitches unable to compete for that reason. The Trial Secretary must receive written notification from a Veterinarian of such claim for refund, by letter (not email), by the closing date.
- It is expressly understood that exhibitors alone are responsible for the behavior of their dog(s) and/or children. Any exhibitor whose dog(s) and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the show committee, be asked to leave the show site. In that case, no refund of any fees paid will be made.
- Exhibitors are responsible for complete, accurate, and legible information on the entry forms. Illegible or incomplete entries cannot be entered in the show.

Exhibitors must verify their entry information from the club's confirmation and report any entry discrepancies to the show secretary before the closing date; and move up discrepancies before the move up date for the trial. The show secretary is not obligated to make changes at the trial if it is the exhibitor's error. No changes to results (except a club's scoring error) will be made once the trial has been completed when the handler did not report an entry or move up error.
